Dear Sir:

Please forgive me if I have misspelled your name. I heard your talk with Jack McKinney on WCAU a few nights ago. I would like to know how I can obtain your book "Whitewash" concerning the Warren Report on the Kennedy Assassination. This subject has interested me greatly and I feel that it should be probed extensively.

On the evening of the broadcast you expressed surprise at the wide range of listeners. I don't think that Jack McKinney himself knows that he has some listeners here in Bermuda. I wrote to him once but I doubt that he received my card because I was not sure of the address.

I found your comments and answers on the broadcast to be very interesting and I am anxious to read your book.

Yours truly
Miss Carole Plummer.
